NOTE: (1) Simulcast revenue for the month of October FY/07 has been reduced by \$100,332. This represents income for the last two days of September FY/06, included in MAIN. The actual accounting entry for moving the \$100,332 to the correct Fiscal Year took place in January, 2007. The dollar amounts reported in this report have have been adjusted to reflect this entry. If the amounts had not been adjusted, October's simulcast dollars would have been overstated by the \$100,332 and January would have been understated by that amount.
